

JASON OBJARTEL

1316 Longwood Drive, Ft. Myers, FL 33919
239.895.7460 • Jay27Ob@hotmail.com

Objective

An opportunity to utilize my skills in all facets of construction and further a career in the building industry.

Work History

Custom Rock Features (2007 – present)

Apprentice, Fort Myers, Florida

Design and create rockscapes for custom pools and outdoor structures.

Ken Bunting Carpentry (2006 – 2007)

Carpenter, Fort Myers, Florida

Responsible for rough and finish carpentry in coordination with Kraft Construction projects including four schools, an assisted living facility and the Lee County jail.

Holiday Builders, Inc. (2005 -2006)

Construction Manager, Cape Coral, Florida

Directed the construction of single-family homes on scattered lots and in Hawks Preserve. Closed 35+ single-family homes at an average profit margin of 20%. Managed site preparation, septic/city sewer systems, foundation layout to beam pour, structural framework to trade trim to homeowner satisfaction and Certificate of Occupancy.

1st Home Builders (2004 – 2005)

Assistant to Executive Vice President, Cape Coral, Florida

Assisted executive vice president with primary focus in customer service and quality control. Through project data analysis, project forecasting and cost tracking, coordinated approximately 200 single-family home Certificates of Occupancy per month.

Gulfcoast Consulting Group, Inc (2004 – 2004)

Design/Build Intern, Fort Myers, Florida

Assisted owner in planning, design, bid processing, scheduling, scopes of work, site analysis, design review, change orders, construction liability and safety, engineering and construction for multiple commercial construction projects.

United States Navy (1994 – 1998)

Engineering Petty Officer, San Diego, California

Operated and serviced fuel systems including: Cummings Diesel power-generator systems, hydro-electric steering systems, refrigeration systems, Pneumatic-high and low psi systems, desalination systems, shaft reduction-gear systems and turbine drive systems.

Education

Florida State University (2002 – 2004)

& Tallahassee Community College (2000 – 2002)

Associates of Arts, Tallahassee, Florida

Naval Advanced Technical School, United States Navy (1994)

Certificate, Engineman, Chicago, Illinois
