

## Web permitting expanded!

Electrical, plumbing and solar permit applications may now be submitted online. The expansion of online options results from the success of receiving online applications for roof and mechanical permits.

For details about registering for and using the expanded online application process, go to <http://www.lee-county.com/econnect/OnlinePermitting.htm>

## June 29 deadline nears

Building permits must be picked up by June 29 to avoid paying the increased road impact fee, which became effective Feb. 1. A record number of permit applications were filed by Jan. 31 to avoid the fee increase, however, those permits must be issued and picked up by June 29.

## Notices

### *Zoning application rules have changed*

Submittal requirements recently have been revised for several applications, including for both DCI and DRI hearings, and public hearing Supplement D. Please be sure to check the Web page periodically for updates to applications to ensure that you are using the most up-to-date form. Each application has a date in the footer which will help you to confirm that you are using the correct application form.

Applications can be downloaded at <http://www.lee-county.com/dcd/GeneralInfo/AppsDocumentsMaps.htm>

### *Hearings and meetings*

A public hearing on the 2007 Land Development Code Amendments will be Tuesday, June 25, at 5:05 p.m. in Lee County Commissioners' Chambers, 2120 Main St., Fort Myers. To read the amendments and related documents online, go to <http://www.lee-county.com/dcd1/Downloads/OrdinanceReviews.htm>

The June 25 Local Planning Agency meeting is cancelled. The next LPA meeting will be Monday, July 23 at 8:30 a.m. in commissioners' chambers.

## Reports online

### *2007 Concurrency Report Draft*

A draft of the 2007 Concurrency Report is now available online for downloading at <http://www.lee-county.com/dcd/AnnualReports/Concurrency.pdf>

### *Review of DR/GR studies*

A draft of the Review and Summary of Studies Containing Information Relating to Density Reduction/Groundwater Resource (DR/GR) Lands in Southeastern Lee County, Florida is now available at <http://lee-county.com/dcd/Downloads/DRGR.htm>

## Phone number update

Lee County Community Development is scheduled to install telephone system upgrades on July 20. We'll get new phone numbers with a 533 – or

**“LEE” – exchange.**

**Part of a county-wide program, the upgrades provide us with more phone lines for phone-based scheduling, like building inspections. In addition, upgrades to routing equipment will enable us to more efficiently serve call-in customers.**

**The County Administration Building, 2115 Second St., Fort Myers has already updated its service and is now operating with new phone numbers.**

**As soon as we learn our new phone numbers, we’ll pass them along. During the transition, we will automatically connect callers to the new number or provide a message giving the new number.**

**The county’s online telephone directory will be updated as the new numbers are rolled out. Go to [http://www.leegov.com/Publicresources/Apppage\\_T5\\_R3.htm](http://www.leegov.com/Publicresources/Apppage_T5_R3.htm).**

*This monthly update is published by the Lee County Department of Community Development to highlight news and trends in planning and development for unincorporated Lee County. For details on these topics and the department, visit our Web site <http://www.lee-county.com/dcd/>. To be dropped or added from this distribution, contact Joan D. LaGuardia, communication manager, [jlaguardia@leegov.com](mailto:jlaguardia@leegov.com) or call (239) 479-8705.*
