

PLEASE TAKE 30 SECONDS TO STOP AMENDMENT 4

In November, Florida voters will be making a decision that has **major consequences for your business**. It's called Amendment 4 and if it's passed, it will mean **lights out for Florida's economy**. Please take two minutes to watch this important web video on St. Pete Beach—the first community in Florida to adopt a local version of Amendment 4: [CLICK HERE](http://www.florida2010.org/home.php). (www.florida2010.org/home.php)

After you've watched it, please forward it to your co-workers, friends and family.

We're as concerned as you are about Amendment 4. That's why the Florida Home Builders Association has been working closely with the "VOTE NO on 4" campaign to alert voters to the dangers of this measure.

But unless we spread the word, this amendment may pass and Florida will never recover. **Now, with only 30 seconds and a few clicks of the mouse, you can make a major difference in this campaign. As part of an unprecedented coalition assembled by the "VOTE NO on 4" campaign, we're calling on all of our members to forward this video to at least 50 fellow Floridians. If everyone takes this small step, we will reach hundreds of thousands of voters.**

Our team at the Florida Home Builders Association is working together with hundreds of organizations across Florida as part of a unified "VOTE NO on 4" campaign to defeat this measure. If you have any questions, or need more information, please visit our campaign website at www.florida2010.org.
