The two-story Davenport model represents one of four single-family home designs available from Pulte Homes at Sandoval. With 2,650 square feet of living area, this home includes four bedrooms, two-and-a-half bathrooms, and a two-car garage. The Davenport features a spacious family room, a cozy breakfast nook, and a formal living room and dining room. The kitchen overlooks the family room and includes Corian® countertops, birch cabinets, tile floors and upgraded GE® appliances. Sandoval is a gated community featuring several parks, a full-time activities director and a spectacular array of amenities including a resort-style pool with waterslide, fitness center, and tennis and basketball courts.

Directions: From I-75, take exit 136 (Colonial Blvd), and head west for approximately 7 miles. Upon crossing over US-41, Colonial Boulevard becomes Veterans Memorial Parkway. Continue on Veterans Memorial Parkway for another 6 miles. The entrance to Sandoval will be on your right.
